

February 23, 1967

Dear Jim:

We are pleased to submit this Cost-Plus-Fixed-Fee Proposal in response to your RFP No. RD-10-67.

Our proposal package consists of (1) this letter of transmittal, (2) the Technical Proposal and (3) the cost presentation.

Our estimate to perform the proposed effort on a cost-plus-fixed-fee basis is as follows:

	<u>Cost</u>	<u>Fee</u>	<u>Total CPFF</u>
Phase I			
Phase II			
Total Program			

STAT

Based upon current commitments, we propose to complete Phase I six months after receipt of authorization to proceed. Phase II will be completed twelve months after receipt of approval for Phase I.

The following terms and conditions form a part of this proposal:

1. Any contract resulting from this proposal will contain mutually agreeable terms and conditions compatible with a cost-plus-fixed-fee type contract.
2. This proposal is valid for a period of ninety days after which we reserve the right to revise it due to changed conditions.
3. We contemplate payment of no royalties in connection with this procurement.
4. Any contract resulting from this proposal will not contain a hardware exclusion clause.

We appreciate the opportunity to quote on your requirements and will be pleased to provide any additional information that may be required.
